This normally means if the product is consumed or possibly consumed at the event. Any license, permit, fee, etc. required by the Facility is not the responsibility of JDL Corporation and failure to obtain the license, permit, fee, etc. from the facility will not result in a refund of any fees paid to JDL Corporation. This fee is normally paid to the Facility at the conclusion of the SOTR event.

These Facility fees range greatly; some facilities do not charge a fee, some charge between \$50.00 and \$350.00 and remainder charge between 5 and 30 percent of sales. These fees are subject to change without notice and may be higher or lower at the time of the event. Contact JDL Corporation for additional information regarding the Facility fees if you have any questions.
